## My Future is Wide Open

Finishing high school is the first step to creating the future you want.

You might be thinking you want to go to college or technical school after high school.

You might be thinking that you want to start earning money right after you graduate.

You might be thinking, "I have no idea what I want!"

Whatever your goals in life, learning will likely be a part of your future, whether you learn in a classroom, get training from an employer, complete an internship....or...any number of ways to learn!

Education is important. It can help you:

- Get the job you want
- Make more money
- Feel a sense of accomplishment
- Give you independence
- Help you meet people like yourself
- Get a better job

In this lesson we're going to explore how learning can help YOU reach YOUR career and life goals. Let's get started!
